

Reno Gallery of Furniture

Bridal Registry Registration Form

How The Registry Works:

As the future Bride and Groom plan their wedding, they open a joint Bridal Registry Account at Reno Gallery of Furniture. Once registered, Reno Gallery of Furniture issues the couple a congratulatory \$25.00 gift certificate to start their Bridal Registry Account. As an added bonus, if the amount of contributions received for your Bridal Registry Account reaches \$1,000 or more, we will increase your \$25.00 gift certificate to \$100.00. Within 60 days of the wedding date, the couple will need to request their personalized bridal registry announcement cards which can be included with their wedding invitations to inform their friends and family of their Bridal Registry Participation. Contributions will then be accepted and credited to the registry account, which are then used by the couple to select furnishings and accessories for their new home. Each person contributing to the account will receive from Reno Gallery of Furniture a completed gift certificate payable to the bride and groom. These gift certificates can be redeemed after the wedding at the couple's convenience, as they do not expire; however, no cash refunds will be given.

How to Register:

Simply complete and sign the registration portion at the bottom of this page. Then mail, fax, scan and e-mail or drop it off at the Reno Gallery of Furniture at your earliest convenience!

How to Contribute:

Contributions will be accepted by cash, check, or credit card (Visa, Master Card, American Express or Discover). Your friends and relatives simply make the contribution by phone or in person. Gift Certificates will be issued to your contributors along with receipts.
